

## **BK BRASIL OPERAÇÃO E ASSESSORIA A RESTAURANTES S.A.**

Corporate Taxpayer ID (CNPJ/MF): 13.574.594/0001-96  
Publicly Held Company

### **MATERIAL FACT**

#### **Total Store Reopening**

**BK Brasil Operation and Advisory to Restaurants SA ("Company")**, in compliance with the provisions of the Brazilian Securities and Exchange Commission ("CVM") Instruction 358/2002 and in addition to the Notice to the Market published by the Company on 03/20/2020 and the Material Fact released on 07/02/2020, communicates to its shareholders and the market in general, that, on this date, 100% of our restaurants, of the BURGER KING® and POPEYES LOUISIANA KITCHEN® brands, already returned to operation. We also emphasize that the Company continues with 3 restaurants under refurbishment and chose not to resume the activities of 19 operations, ending them definitively in the 3<sup>rd</sup> quarter, as part of your maintenance plan and portfolio optimization.

For the reopening of operations, we carefully followed all governmental recommendations regarding the operating conditions of the stores, in view of the social distance that together with our already strict hygiene measures, protect our customers and employees. As previously disclosed, among the actions implemented for openings, we have intensified the hygiene procedures of our restaurants, expanded the use of personal protective equipment, distributed masks to all our employees, installed protective acrylics in stores and sent thermometers to measure the temperature of employees. The Company will continue to monitor closely the development of the pandemic in our business.

In addition to the resumption of 100% of the operations mentioned above, the Company started on 08/24/2020 the activities of its first integrated "Ghost Kitchen" operation under the BURGER KING® and POPEYES LOUISIANA KITCHEN® brands. This new format with an exclusive focus on the Delivery operation is intended to provide the best experience for our customers, with maximum convenience.

Barueri, September 11<sup>th</sup>, 2020.
